The remote proceeding scheduled in this matter for July 12, 2022 at 4:00 p.m. will take place on the Microsoft Teams videoconference platform. To access the conference, paste the following link into your browser:

To use this link, you may need to download software to use the platform's videoconferencing features.¹ Participants are directed to test their videoconference setup in advance of the conference—including their ability to access the link above.

Users who are unable to download the Microsoft Teams application may access the meeting through an internet browser, although downloading the Microsoft Teams application is highly

recommended.² When you successfully access the link, you may be placed in a “virtual lobby” until the conference begins. Participants should also ensure that their webcam, microphone, and headset or speakers are all properly configured to work with Microsoft Teams. For general guidelines for participation in remote conferences, visit <https://nysd.uscourts.gov/covid-19-coronavirus>.

Members of the press, public, or counsel may access the conference’s audio using the following credentials:

Call-in number: 646-453-4442
Conference ID: 441 140 209#

The Court requests that members of the public consider accessing the conference by telephone, rather than through the Microsoft Teams videoconference platform. While the proceeding is accessible to the public through the Microsoft Teams videoconference platform, the inclusion of many participants on the videoconference platform can reduce the quality of the video stream for the parties and their respective counsel.

This order supersedes the May 13, 2022 order at Dkt. No. 19.

SO ORDERED.

United States District Judge
